

Scholarship Application 2010

Dear Student Applicant:

We are very pleased to offer you the opportunity to participate in the ASSET Scholarship 2010. ASSET is looking for applications from seniors graduating on or before June, 2010 who intend to enter an area of study in which technology plays an important role. All students who seek to attend a two or four year college or specialized trade school program are encouraged to apply for this scholarship.

ASSET is seeking to award up to a total of eight, two thousand dollar (\$2000) scholarships as a single one-time payout to be presented on May 19, 2010 at our annual awards luncheon.

Enclosed please find an application that must be completed and returned, postmarked no later than April 24, 2010. The following information must be received in your packet for you to qualify:

- ASSET Application Form - signed and completed (typewritten or word processed, please).
- Student Essay (see application form for details) fully word processed and double spaced.
- Official High School Transcript.
- Two letters of recommendation:
 - One from a school district professional (please include name and title).
 - One from another school professional or outside reference.
 - (An outside reference is someone such as a community leader, employer, or other person not related to you).

All applications must be postmarked no later than April 24, 2010 to be considered. Please mail your application to:
Suffolk ASSET * 26 Railroad Ave. Suite 215 * Babylon, NY 11702-2216

* All decisions and awards of the ASSET Scholarship Committee are final.

About ASSET

The Association of Suffolk County Supervisors for Educational Technologies, ASSET, was formed in 1996 as an organization to represent administrators and supervisors responsible for computer service and other educational technologies in the public school districts within Suffolk County, NY. The Association holds monthly meetings during the school year to discuss issues regarding the use of technology in the classroom, curriculum integration, staff training, hardware and software issues and other issues relating to members needs.

The association's purpose as stated in our by-laws are:

- To enhance teaching and learning in Suffolk County School Districts through the use of computers and other educational technologies by encouraging the integration of technology into the K-12 curriculum and ensuring that our students are provided with the educational opportunities necessary to prepare them for the 21st century.
- To provide members with opportunities to share ideas and information relating to instructional, administrative, and management technologies in education.
- To provide high standards of supervision and leadership in the area of educational technologies.

Please provide us with the following information typed or word processed:
